# Australian and New Zealand Industrial and Applied Mathematics

Members of ANZIAM, a Division of the Australian Mathematical Society, are advised that, in accordance with clause 34 of the constitution, nominations are hereby called for Officers and Ordinary Members of the Executive Committee for the session that commences at the 49th General Meeting, which will be held during ANZIAM 2027.

Please find below the list of members of the current Executive Committee stating their duration in office as at January 2027, and a nomination form. Nominations are to be returned to the Returning Officer at the address and by the date shown on the nomination form. Should a ballot be required, nominees would be asked to provide a short statement/bio to support their nomination.

Dr Melanie Roberts
Returning Officer

---

The members of the current Executive Committee, together with their length of stay in office (as at January 2027), are

CHAIR: P Prof. M. Plank (1 session incoming)
